

Building Safety Certificate

Certified that the building of "DAV Public School at Bassa, PO Gohar, Tehsil Chachiot, Distt. Mandi (H.P.)" was inspected by Assistant Engineer, Sub-Division, HPPWD Gohar alongwith Junior Engineer Store Section on dated 08.10.2021. As per the report of Assistant Engineer Gohar, the building has neither been designed properly nor been constructed under the supervision of this department, no earth quake resistant norms has been adopted for the construction of building. Hence, the structural safety of the building cannot be ensured specifically from earth quake consideration and this department is not responsible for any circumstances thereof. As per the report of the Pradhan, Gram Panchayat, Bassa, Development Block, Gohar, Distt. Mandi (H.P.) the building of DAV School was constructed in the year 2008 and it is about 13 years old (photocopy enclosed). However, presently by visual inspection the said building seems safe for running the school for the academic session 2022-23 to 2026-27 (Five Years) under normal loading condition of existing dead and live load of this building.
